Lance Yamamoto
Acting Vice Chancellor for Administrative Services

Maria-Elena Diaz, PhD
Interim Director of Career & Continuing Education

Advisory Boards

Windward Community College has invited a number of community leaders in business, industry, and professions to advise the staff in the development of curriculum in accordance with requirements in their fields. Consultations with these leaders relate to course content, selection of training equipment, the nature and extent of employment needs, and evaluation of the effectiveness of the curriculum. New advisory committees are formed as new needs and programs are identified.
