

# Health Services

The College provides no health services. Students are eligible to participate in a group health insurance program.

## Affordable Care Act

On March 23, 2010, President Obama signed the Patient Protection and Affordable Care Act (ACA). Along with the Health Care and Education Reconciliation Act of 2010, the law put in place comprehensive health insurance reforms. The law makes preventive care—including family planning and related care—more accessible and affordable for many Americans. The information and resources provided here are intended to assist Title X-funded family planning centers and other safety net providers in implementing the new law. <http://www.hhs.gov/opa/affordable-care-act/index.html>

Low cost Health care is available through Hawaii Health Care Connection.
